Clifton's Candy Connolly, pictured at 13,000 feet while free-falling at 120mph over Oxfordshire as part of a team of 18 volunteers who raised over £30,000 for the Worcester Breast Haven Unit. "It was an absolutely incredible experience" said Candy, who celebrated her 60th birthday recently.

GRETA SPAREY'S RIDE FOR CHARITY

Greta Sparey of Mill Farm, Stanford, has raised more than £3,500 for the Changing Lives Through Horses programme after taking part in a British Horse Society Charity Race at Newbury last month.

Greta, who suffered serious injuries as a result of being kicked by a horse in 2017, had first to pass a gruelling fitness test, raise at least £2,500 and find a racehorse before even being considered eligible to take part in the race. She was able to achieve all three goals thanks to Mark and Clare Loughnane of DML Racing at Rock who provided Broughton's Flare as her ride.

"The actual race was a bit of a blur as it all happened so fast," said Greta who managed to finish in third place. Afterwards she was presented with a bottle of champagne by HRH Princess Anne (*right*). "I was so lucky to have the support of my amazing family, friends and loyal supporters".

OLD ST BARTHOLOMEW'S CHURCH XMAS MEMORY TREE

The Churches Conservation Trust have provided a Xmas Memory Tree to be placed in Old St. Bartholomew's Church, Hope Lane, Lower Sapey from 1st December 2021 until 12th Night, 5th January 2022. For reasons of joy, sickness or sorrow, there are card baubles to write the name of a loved one on to hang on the tree.

The CCT hopes that a donation might also be made ~ thus aiding the continuing work of the CCT which preserved this ancient church.' Further information: Pat Prosser: 01886 853244; patprosser@hotmail.co.uk.

CLIFTON'S HORSE CHESTNUT TREE

The Parish Council is responsible for several parcels of land within the village and the trees that grow upon them and is mandated to keep them safe and well managed. We have recently arranged for a tree surgeon to carry out an inspection of all our trees and to recommend a schedule of remedial and monitoring work as required.

Perhaps the most iconic tree is the Horse Chestnut tree that stands at the junction with Hope Lane and we have recently reduced the canopy to allow for better vision of that junction and the road signs and removed the old wire netting beneath the tree which had been identified as a trip hazard and replaced it with gravel which will allow for more rain to penetrate to its roots.

It still requires some more work to reduce the canopy by about 15% to reduce the weight load and to eliminate branches rubbing against each other. The tree is described as being in moderate condition and this work will improve both its health and longevity.

John Bowden, Chair, Clifton upon Teme Parish Council

CLIFTON AUTHOR'S FIRST BOOK

Clifton resident Ann Goddard has had her first book published. The book entitled *Little Lucy Small and Shy* is a children's picture book both written and illustrated by Ann. Suitable to be read to children from three years of age, or for readers aged five to eight years.

Little Lucy is shy and hides herself away. Through an adventure in the woodland, and with the help of her friends the birds, Lucy learns that she can be brave and adventurous. She gains confidence in being herself. Quotes from scripture affirm that God knows each of us, and He is with us always. The simple story set in the woodland helps inspire self-confidence and fosters an awareness of UK wildlife. The characters and illustrations in the story are from UK wildlife and the book includes a small section of 'Nature Notes' for parents to read and share with their children. Three illustrated plates with scripture throw God's perspective on the story and affirm God's love for us.

Ann is passionate about wildlife and the environment. She has a degree in Zoology and started her working life in the natural history section of a museum, later training as a teacher of Lower School Science and 'A' Level Biology. After having her own children, she worked for many years at an Environmental Centre teaching sections of the National Curriculum in the outdoors, mainly to primary-aged children where she became involved in the tradition of oral storytelling. At home, Ann enjoys walking in the countryside with her dog, being in her garden, reading, and stories!

Little Lucy Small and Shy is published by Crossbridge Books and is available from The Book Depository, Waterstones Online and Amazon.

ROYAL BRITISH LEGION POPPY APPEAL

This year's Poppy Appeal raised a wonderful £1,139 in Clifton. The organizers wish to thank all those who kindly donated to the charity. These much-needed funds will be put to good use helping former service personnel and their families. Need has been accelerated, particularly in these difficult Covid times.

ULTRAFAST BROADBAND COMES TO CLIFTON HILL

An initiative by Clifton residents John Winer and Chris Hurley started two years ago to bring superfast broadband to households on Clifton Hill and the Old Road has resulted in residents and businesses in the area now being invited to sign up to the scheme

September 2019 John Winer and Chris Hurley attended a County Hall event where they asked if it would be possible to create a project centred around the Old Road which could qualify for 'fibre to the property' (fttp) under the government sponsored Rural Gigabit Scheme. With the support of County Hall, the government sponsored Rural Gigabit Scheme's geography was widened to include other properties on Clifton Hill as far as Noak Farm and Ayngstree.

Much discussion took place with Openreach throughout 2020, which benefitted from the invaluable support of Rob Stepniewski, Senior Project Manager at County Hall. It led to an agreement that a scheme would be possible for the wider group. A Community Interest Company was then created, with the involvement of John, Chris, Catherine Prendezis at Ayngstree and Ricky Martire on the Old Road, so that the project team could sign a contract with Openreach in order to give just under fifty properties the opportunity to have ultrafast broadband.

Lots of paperwork involving the Department of Culture Media and Sport (which actually was very straightforward) led to agreement that between November 2020 and November 2021 Openreach would install the necessary equipment for every property in the project to have the best broadband available, whether business or residential. Such broadband speeds could be as high as one gigabit per second!

Work started in September, requiring road closures on Clifton Hill to enable Openreach to carry out fairly tricky installations which led to some villagers suffering inconvenience.

As *Temetriangle* goes to press, residents who are part of the scheme are now being given the opportunity to sign up to ultrafast broadband via a number of alternative providers to enjoy the speeds that so many other communities benefit from. Businesses within the scheme, including Pitlands Farm, Appletree Kitchen and Clifton Engineering will also be major beneficiaries of the much faster broadband.

Thanks should go particularly to John Winer who has led the project and ensured compliance with the many challenging arrangements required by the government offices and Openreach.

LOWER SAPEY NEWS

Christmas is nearly here and 2021 has flown by, even though for much of it we were confined at home in lockdown. I hope everyone has had their 'jabs', if appropriate, and that we will all get safely through the long dark winter. I haven't seen any long range forecast for the winter yet, so maybe this means that there is nothing out of the ordinary to come. However, with COP 26 still under way warning us of dire times ahead, there will surely be floods, storms, droughts, hurricanes somewhere along the way! Many pledges have been made at the conference and we can only hope that the countries will stick to them. Sadly, the main offenders, China, Russia, India and Brazil did not send their leaders. In our very small way, Mark and I feel quite proud of the 25-30 trees we have planted and the small wildlife pond we have created since moving here. If we win a fortune, we can then invest in an electric car and a heat exchange system for the future!

I have been cleaning out the greenhouse recently, getting ready to plant seeds for next year. We are hoping to have another plant sale in Harpley in late Spring and maybe you could think ahead and help us with lots of beautiful plants to sell. It will also be Queen Elizabeth's Platinum Jubilee and we will celebrate that. There may also be another Hobbies/Art exhibition along the way. There is a lot to look forward to in 2022. Who knows, we may at last have a wonderful summer, or maybe our cricket team will flourish again, but more importantly, St Bartholomew's Church will be re-furbished, renewed and at last allow us to worship properly there again.

As regards the latter point, we had a very interesting and useful meeting with two members of the Diocese recently hope to have swift results now. So far, it has all been frustratingly slow as there are so many hoops to jump through merely to obtain permission for a nail to be hammered in, or a bush to be pruned. We are so grateful to Candy, our Churchwarden, for never giving up hope and working so hard for the church and community. At last, work is going on with roof repairs to the alcove and we hope to have netting in place by Christmas in the Church, although the ceiling looks safer now that proper ventilation and heating is in place. We are also trying to tidy up the churchyard and remove dead and unsightly bushes.

Recently a gravestone has fallen over and the members of the Diocese agreed that two more graves were a public danger. These graves belong to George Jones, who died in August 1890; William Love, who died in 1926 and James Overton who was buried in 1892. If there are any relatives in the area who would like to speak to us about this, please contact me, or Candy. I must stress that it is only the stones that may be moved and the graves of course, remain intact.

We do hope to be able to have the Church open for a carol service on December 19th, so watch this space. In the meantime, we have been invited to share some services with Shelsley and thank them for this. Sadly, by the time you read this, David Sherwin and his wife will have left the area and we will miss them so much, as we did Becky Elliot. We hope they will all enjoy their new lives and not forget us.

I much enjoyed Jane Dallow's poem which was in last month's edition. Well done, Jane, and please keep writing. I would also like to say 'thank you' to the Friendship Group for keeping us happy and entertained through the latter part of the year. Marie Thompson has now retired after many years service and Dot Millward will be taking over in her place.

The Lower Sapey/Harpley Ladies Bible Group has also resumed and we will probably have a meal together, but perhaps after the Christmas rush. It has been another grim year for many of us, although there have been some happier occasions; marriages, births and various celebrations. Let us hope we can all stay well in 2022 and that we have seen the beginning of the end of Covid 19.

Church Matters

by Rev Jen Denniston

Advent is coming near. We'll see wreaths decorating front doors and hear carols on the radio and in the shops - signs that Christmas is coming.

There are eco-wreathmaking workshops taking place locally. They're partly spurred on by COP26 and the climate crisis, and partly to remind us to be sustainable, environmentally friendly eco-churches - using locally sourced flowers and greenery in church and churchyard arrangements. Neil Sparey has designed and made reusable steel bases for wreath-making, incorporating candle holders.

In eco-friendly Advent wreaths, one ingredient is holly. The familiar traditional carol, The Holly and the Ivy, tells us the reason for the Christmas season.

Firstly, holly blossom reminds us of the baby Jesus, and the hope and promise of new life that he offers.

Then the dark prickly leaves, 'as sharp as any thorn', bring to mind the crown of thorns pressed onto Jesus' head on the Cross. Holly prickles remind us that our lives are sometimes tricky, painful and challenging. Our path may be tough and thorny, but God knows our difficulties and is always with us, whatever the situation.

And bright red holly berries are like drops of blood. The lyrics of the carol remind us that Jesus, on the first Good Friday, shed his blood and died to forgive our sins.

So, put very simply... the reason for the Season is... Jesus.

As you reflect on the year past and go forward into the New Year... however bright or thorny the past year has been, and whatever the journey ahead may bring, may God's love surround you and support you, the light of Christ guide you, and the Spirit of Jesus give you and those you love; these three things this Christmas and into 2022... Hope, Peace and Joy.

Happy Christmas and blessings for 2022!

WEST WORCESTERSHIRE RURAL TEAM UPDATE

Following the retirement of Canon Rev David Sherwin, whom we wish all the very best, the Diocese of Worcester will embark on a process, under the guidance of Archdeacon Robert Jones. This will entail looking at the clergy/parish structure of the (WWRT) benefice and the potential to pay ministry share with a view to appointing another stipendiary priest.

Since the retirement of Rev John Sumner, the House for Duty priest based in Clifton some five years ago, the benefice has had two (paid) clergy, each with their own responsibilities within the WWRT.

The process to replace David will take some months, by the time Churchwardens and PCCs have been consulted; the relevant diocesan officers along with the Bishop have decided the best way forward; the post is advertised; interviews carried out leading, God willing, to an appointment.

Within the WWRT we are blessed to have four clergy and two readers, alongside seven authorised lay ministers, who give of their time voluntarily. Without them, and the hard work of so many laity, our parish churches would not be sustainable and to whom I shall be turning to support the mission and ministry across the benefice over the coming months until, all being well, David's successor is licensed.

As we enter the season of advent, the beginning of our Christian calendar and that time of preparation for Christmas, when we celebrate the birth of Jesus Christ, our Saviour, who came as the light in the darkness, let us pray, together, for the parishes within the WWRT benefice, and especially Harpley, Clifton and Shelsley.

Wishing everyone a blessed Christmas filled with the love of Christ and a peaceful New Year.

Rev Anne Potter, Team Vicar

CLIFTON WI

The next meeting of the Clifton WI will be on 14th December and will have a festive theme and refreshments. It will be a creative evening where participants will make a mosaic Christmas decoration. All equipment and materials will be supplied, if you would like to come and join us please email cliftonontemesec@wfedwi.org.uk.

The November AGM was well attended. Members took part in a quiz based on questions asked when applying for British Citizenship. Questions covered historical and cultural knowledge. Sadly, the required 75% pass rate needed to qualify as British was difficult to achieve despite working in groups!

In October Beth Parmenter talked about the work of The Good Soil Trust an independent Christian charity, based in Worcester, who work with adults whose lives have been challenged through addiction, homelessness, poor mental health or crime.
