

## CLIFTON UPON TEME PARISH COUNCIL (CuT PC) S106 SUPPORT GROUP

### OBJECTIVES

- Establish types of “qualifying S106 projects” on behalf of the CuT PC after initial and ongoing liaison with MHDC including: potential sums that are available; checking the difference between and relevance of S106 and CIL.
- Support the CuT PC in developing an overarching strategy for the use of S106 funding in order to help focus potential applicants/projects and promote the best outcomes for the community.
- Support the objectives outlined in the Neighbourhood Plan and encourage the coordination of projects so that there is no overlap.
- Facilitate communication between the community, the CuT PC and MHDC to enable:
  - a clear understanding of what is possible
  - a transparent identification of projects, coordination of implementation and a clarity of responsibility for subsequent management of completed funded projects
- Work with CuT PC to support potential applicants who have projects suitable for consideration for S106 funding
- CuT PC to ensure that bidding groups understand that they are responsible for delivery of their project.
- Provide guidance to potential applicants:
  - on the process to identify a project that will work within the overall PC strategy and appeal to the community
  - on finding additional funding, in-kind support, sponsorship or any other sources of support that will enhance the quality of the funding application
- Liaise with school re “Education S106” to see if there is an opportunity to share/overlap
